

Texins Jazz Band

From 1986-2019, this group operated as The Texas Instruments Jazz Band, organized under the Texins Association at Texas Instruments. Members consisted of current, former, and retired TI employees, supplemented with subs as needed.

In 2020 the band became an independent 501(c)(3) nonprofit organization and changed the name to Texins Jazz Band. The band still gives priority to members with a STEM background. The band rehearses weekly at Dallas College, Richland Campus, under the direction of Bill Centera.

The band has hosted many world-class musicians over the decades including Clark Terry, Phil Woods, John Pizzarelli, Kurt Elling, Wayne Bergeron, & Randy Brecker.

Mardi Gras / New Orleans Traditions

Mardi Gras (Fat Tuesday) has been celebrated in New Orleans since 1699. It was introduced by the French, who celebrated the final day before Lent. The weeks leading up to Fat Tuesday are celebrated with balls, parades, marching bands, King Cakes, masks, costumes, and revelry. There are several songs that have become associated with Mardi Gras, including Carnival Time, Mardi Gras Mambo, Go to the Mardi Gras, and Bourbon Street Parade.

The music of Mardi Gras is tightly woven into the musical fabric of the city of New Orleans – the birthplace of jazz. There is a distinct rhythm of the New Orleans street beat. There is the Second Line that follows behind the main section of the parade (the first line). Second lines are also associated with funerals. The march to the gravesite is usually a solemn occasion, but the march away is a joyous celebration of the deceased's life. New Orleans musicians helped form the music we know as jazz – and they shared it with the world.

“Laissez les bons temps rouler” is a Cajun French phrase that translates to “Let the good times roll.” That’s our goal for this concert.
